

BOURGET FAMILY INFORMATION FOR RESEARCH IN THE VAN CITY DIRECTORIES

NOTES.

My research of the Bourget Family is because my Cousin Kenneth Symons married Roberta Madden. She was born in Vancouver BC & her mother's maiden name is Adeline M Bourget (1915 - 2006). I checked the Canada 1881, 1891, 1901, 1906, and 1911 Census and later the 1905 Minnesota USA Census to help locate Philip Bourget & his Family. Most of the family is shown in the 1901 Quebec Census and later in the 1905 Minnesota USA Census. See the Census Tables below.

The Van City Directories were next, so I went to Cloverdale Branch of the Surrey Public Library, where they have the Van City Directories on microfilm. I started at 1911. looking for the Bourget family listed in the Census records. I also checked the BC Archives Marriage & Death Registrations. Matching the Addresses was the criteria, as it indicated family relationships.

Not all of the Bourget family came to Canada from the USA. I found Phillip (1855 - 1935), Mary (1861 - 1923), Joseph Philip (1886 - 1960) Narcisse (also known as Nels) (1897 - 1963) Adeline M (1915 - 2006) (she married Alexander Madden) Anne (1900 - xxxx) Jeannette (1902 - xxxx) the younger daughters, both daughters probably married & I don't know their Married names.

I checked the Van City, Burnaby & New Westminster City Directories starting 1908 up to 1961. The Library, as of Nov 2012, goes up to 1986. I printed the City Directories using the Library Microfilm Reader-Printer & then Scanned them into JPG images at home
I then consolidated the jpgs into a PDF files.

I had to break up the images into date groups due to the large file sizes. See list below
