

Notes about the Kearney Listing in the Vancouver City Directory

I checked the Vancouver City Directory at the Cloverdale Branch of the Surrey library, as they have the Vancouver City Directory on tape, starting with 1922, searching for Emily Kearney (nee McCausland) The McCausland family is linked to me by Robert McCausland (1880 – 1936) who married Sydney Delia Sampson, who is a sister of Arthur Dudley Sampson, my Grandmother's second Husband.

Emily Kearney was in the newspaper article about Robert McCausland's death. She was named as a sister "Mrs. T.J. Kearney". She also signed Robert McCausland's Death Registration.

Emily married Thomas James Kearney in 1915, in the UK, had two children Freda Kearney (b1926) and Frederick Maxwell Kearney (b1916)

The Family immigrated from the UK in 1930, & they appear in the City Directory starting in 1933. Emily is indicated as a widow in 1936 as her husband Thomas James had died.

Her son Frederick Maxwell Kearney died in 1973 & her Daughter, Freda presumably married, but as of March 10, 2012 I do not know her husband's name, so I cannot locate her in the Directories.

Emily disappeared off the Vancouver City Directory in 1962, so she may have moved or died (could not find her in the BC Archives Death Registrations, but they currently only go to 1990.

This listing is from 1946 to 1951, 1960 & 1961

1922 to 1945 are on another PDF file, as the file size is getting too large.
