SPOTLIGHT ON JUNIORS

Our Junior Class in united stride
 Began this year with well earned pride.
 We bore the spirit of '49
 As we assembled our members along in line:
 We backed the football team in the fall;
 Had three campaigns to clean the halls;
 We held an assembly to display our class—
 The Juniors had talent no one could surpass;
 As Christmas approached we gathered for fun
 With Santa Claus and Hynote entertaining each
 one;
 When basketball came the Juniors were there
 Supporting the team with a fiery air;
 We backed all drives, we purchased all tags;
 Then we turned patriotic and ordered new flags.
 And now agree quickly and don't deny
 The Juniors have been in the public eye.
