I hereby Certify that I have daily during the present passage made a general inspection of the passengers on this vessel, and that I have at least once during the passage made a detailed individual examination of each immigrant on board and that I have seen no passenger thereon who I have reason to believe is, or is likely to become, insane, epileptic or consumptive, or who is idiotic, feeble-minded or afflicted with a contagious, infectious or loathsome disease; or who is deaf, dumb or blind or otherwise physically defective or whose present appearance would lead me to believe that he or she might be debarred from entering Canada under the "Immigration Act" with the exception of the persons whose names are enumerated on the "Ship Surgeons' List for Medical Examining Officer" which I have prepared for such officer, giving my medical opinion on the cases therein dealt with; and that there were no deaths or births during the passage except those mentioned on the said list.
